Perhaps no medicine is so universally required as a good cathartic. Swayne's Pills are prepared expressly to meet this need, being composed of the most valuable ingredients of which podoplyllin or mandrake, sarsaparilla, yellow dock and other concentrated juices enter largely into their composition, the whole strength of which is extracted on an entirely new principle. They are mild in their operation and are truly a valuable agent and anti-bilious medicine. They stimulate the liver to healthy action, cleanse the stomach and bowels of all impurities, curing sick and nervous headaches, dyspepsia or indigestion, biliousness, fevers, drowsiness, colds, aching pains, aches, slight chills, with flashes of heat and male irregularities. For a bilious and constive habit, no medicine is so prompt and efficient. Mailed on receipt of price (in postage stamps) 25 cents, or five boxes for \$1. Address Dr. E. Swayne & Son, Philadelphia, Pa. Ask your druggist for them. josa 15-june 25

**The Secret Out At Last.**

It has long been a source of wonder, as to why Courtney failed to meet Hanlan in a sculling contest. The general explanatory argument was that he feared the little Canadian. This opinion, however, is exploded by the authentic announcement, that on the day fixed for the race, Courtney was unable to sit in his shell, on account of the intense itching and soreness caused by the Piles. Having recovered through the use of Swayne's Ointment, he now announces that he will row Hanlan any time this Summer. josa 15-june 25

**"An Ambitious Individual."**

"Oh! I'm boiling over to do some good act," shouted a politician the other day, as his red nose protruded from a face ornamented with unhealthy blotches. "Well, sir," replied a friendly listener, "unless you want to be an animated sign for a drug store, and make the passers by sick, I would advise you to use Swayne's Ointment, and be cured of skin disease." The ambitious man acted on the advice, and is now a living exemplification of what this excellent remedy can accomplish. josa 15-june 25
